Whereby:

- 'necessary cookies' help make a website more usable, by enabling basic functions such as page navigation and access to secure areas of the website. The website cannot function properly without these cookies
- 'preferred cookies' ensure that a website can remember information that influences the behavior and design of the website, such as your preferred language or the region where you live
- 'statistical cookies' help website owners understand how visitors use their website by collecting and reporting data anonymously
- 'marketing cookies' are used to track visitors when they visit different websites. Their purpose is to display advertisements that are tailored to and relevant to the individual user. These advertisements thus become more valuable for publishers and external advertisers
- 'unclassified cookies' are cookies that we are still classifying, together with the providers of individual cookies

Some of the above-listed cookies are placed by third-party services that are displayed on our pages.

You can change or withdraw your consent at any time via the cookie statement on our website.

In our external privacy policy you will find more information about who we are, how you can contact us and how we process personal data.
